

## Surgery/Cosmetic Cancellation Agreement

The Physicians and Estheticians of Nigro Dermatology would like to inform you of our new cancellation policy effective June 1, 2006. Because a specific length of time is being reserved for your procedure, we would greatly appreciate that any cancellations or rescheduling be done at least 48 hours before your scheduled procedure. Failure to contact us or no-shows will be charged a \$100.00 fee to your account.

Thank you for your cooperation as we try to operate efficiently and with consideration for all of our patients.
